We are a member of the International Yacht Club Association (IYCA) and the International Yacht Club Association of Women (IYCAW). We are also a member of the International Yacht Club Association of the Americas (IYCAA).

Our membership is open to anyone who is interested in yachting and who is a resident of the UK, Ireland, the Channel Islands or the Isle of Man. We have a number of different membership categories and you can choose the one that best suits your needs. You can also choose to be a corporate member.

Our membership benefits include access to our online directory, which is the most comprehensive and up-to-date directory of yachts and yacht clubs in the world. You can also access our online news and articles, our online forum, and our online events calendar. You can also choose to receive our magazine, YACHTING ADDRESS, which is published twice a year.

Our membership fees are very reasonable and we offer a number of discounts for students, young people, and those on low incomes. We also offer a number of different payment options, including direct debit, credit card, and cheque. You can also choose to be a life member, which means you will never have to pay a membership fee again.
