DESCRIPTION

Alexandros is a 27.0 m Motor Yacht, built in Italy by Tecnomar and delivered in 2011. Her top speed is 33 kn and her cruising speed is 26 kn and her power comes from two caterpillar diesel engines, running on direct shafts. She can accommodate up to 6 guests in 3 staterooms, with 3 crew members waiting on their every need. She has a 6.4 m beam. Her outdoor deck features an al fresco dining area next to the main saloon, a small galley with a fridge, barbecue and wash basin; and an additional large seating area that also doubles as a solarium. On the bow is a large solarium that hides below it a big Jacuzzi for 4 persons. A large Bimini tent covers the entire area. In the main salon found on the main deck, a large and comfortable L shaped sofa is facing the big TV and a small dining area for those windy days. Below deck a central large corridor will lead to the full width aft master bedroom where a separate dressing room and big bathroom with marble shower. The front vip room with ensuite and big wardrobe are on the other end of the corridor. The third cabin with ensuite is on the port side, and the kitchen is on the starboard side.
