The most common is the **Individual** membership, which is available to anyone who is at least 18 years old and has a valid UK driving licence. You can also apply for **Family** membership, which allows you to include your spouse or partner and up to three children under the age of 18. If you are a member of another yacht club, you can also apply for **Associate** membership, which allows you to retain your membership elsewhere while also being a member of the RYA.

Membership fees are set at a level that allows us to provide a wide range of services to our members, including access to our online resources, the ability to book courses and events, and the opportunity to join our local clubs.
