## Description

An out-of time classic, the Apreamare 38 Confort is still an icon of elegance, with an easily recognisable line, strongly representing the soul of the Apreamare shipyard. Powered by two very reliable 320 HP VM engines, this lovely boat will give all her passengers a pleasant trip due to her well designed deep-vee hull. She is still reference when it comes to versatility with a huge sunbath area and a spacious living area under the hard top, which you can also open to let some sunrays in. Inside you will find a double bed inside a closed cabin, and a proper kitchen including cooking plates, microwave and a big fridge, as well as a large sofa around a table. She also has a dingy onboard with a small engine, allowing you to explore every inch of your favorite creeks. In perfect condition, she is ready to sail off and take you for a smooth cruising!

\*Berth also available for sale.
